

List of degrees with the EUR-ACE engineering label (updated 15/02/2024)

NOTES:

EUR-ACE graduates of a degree that has obtained this label WITH or WITHOUT requirements will be those students who graduate FROM ONE YEAR BEFORE the date of submission of the application for degree evaluation. For example, if a degree applied for the label on 20 February 2015 (according to the International Quality Assurance Label application form) and obtained the label WITH or WITHOUT requirements, EUR-ACE graduates would be those students who graduated on or after 20 February 2014.

The following engineering programmes have been assessed by ANECA and awarded the EUR-ACE label:
